

Dmitri Revyakin. Founder.

Awarded 3D Artist from Ukraine since 2007. Founder of 3Dmitri Studio and CG AWARD UA.

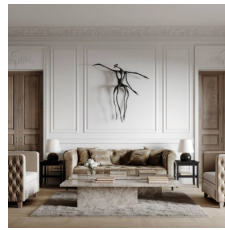

About

3Dmitri Studio is a team of professional visualizers and 3D artists that love what they do. We create high-quality renderings for the sale of your objects and presentation of projects. We know how to create emotional and atmospheric visualizations, and thereby bring as many buyers as possible to your project.

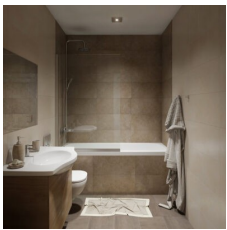

Starting prices for some of our services. The final cost of a project is determined by its complexity.
